He spent 20 years at Omnicom Media Group and as their Chief Investment Officer he led multiple dynamic mergers and acquisitions of varied vendors predominantly in the OOH industry. In 2022, Chadi has joined Talon as their MENA's Managing Partner with the aim to bring Talon's global expertise and best practices into the region.

SPEAKERS

MARK FLOOD

Global Head of OOH, Ipsos

Mark Flood is Global Head of OOH at Ipsos. Based in London, Mark focuses on the all business and technical aspects of OOH measurement, which he leads globally, identifying, assessing and deploying methodological and technological enhancements throughout the business. He has worked on Route since its inception. After a stint at Research International working mainly on the set up and day to day management of large-scale continuous surveys covering the travel and transport industry, he joined Ipsos in 2000. He went on to have overall project management and technical responsibility for all Route and BARB (TV) related activities within the company. The pioneering GPS based Route contract has been run and managed by Ipsos since 2007 and Mark has been integral to the set-up and ongoing development and enhancement of this service and many other OOH solutions globally.

BILL FORDYCE

Chief Operating Officer - Media, ELAN Group

Over the past 16 years, Bill has cemented his reputation as one of the leading out-of-home advertising experts in the Middle East.

With a MBA in Global Finance, Bill is currently the COO, Chief Operating Officer of Elan Media in Doha, Qatar. Elan Media is the largest media company in Qatar with over 3,000 out-of-home assets, 600 digital signs, cinema and radio advertising assets, and printing services. Elan Media was a key partner for the historic 2022 FIFA World Cup and managed all OOH campaigns for Commercial Sponsors as well as the Qatar Supreme Committee for Delivery & Legacy. Bill has worked on out-of-home advertising projects in more than 35 countries across the Middle East, Eastern Europe, SouthEast Asia, South Asia, the former Soviet Union and Western Europe.

GREGORY FOURNIER

General Manager, The Trade Desk

As General Manager, Client Development for The Trade Desk, Gregory works to build meaningful relationships with the world's largest advertisers and agencies. In his role, Gregory, based in Singapore, has the mission to help them understand, navigate and leverage the power of the open internet to solve their unique advertising challenges. Through collaborating with global and regional product and engineering teams, Gregory develops customised solutions to meet the specific needs of the clients across Asia Pacific. Prior to this role, Gregory was the Global SVP of Strategy and Head of Luxury where he spent 8 years with Unruly. A recognized advertising and media expert with over 20 years of experience, Gregory has been an active council member of the IAB Southeast Asia and India for 7 years. Gregory is a graduate from University of Portsmouth and holds a Bachelor of Arts in International Economics and a Master Degree from KEDGE Business School.

SALEH CHAZAL

CEO, OMD MENA

With 15+ years of experience in the marketing and advertising industries of the MENA region, Saleh is passionate about the digital space, integrated marketing solutions and business development. Starting off his career in Digital Media, Saleh played an instrumental role within the founding team at OMD Digital in 2006. Following the business needs, Saleh then set out to become a hybrid planner with both Online & Offline expertise at hand, managing to win OMD several businesses and awards, while also championing the road to Programmatic and Performance. Saleh currently assumes the role of CEO at OMD MENA as he continues to employ his passion and experience to drive better results, faster for both OMD & its clientele portfolio.

SPEAKERS

LEWAA HAMADEH

CTO & Co-Founder, Seventh Decimal

Lewaa Hamadeh is the CTO and Co-Founder of Seventh Decimal, a research tech company dedicated to the OOH industry.

Lewaa specializes in mobility modeling, spatial data science, GIS applications, and Ad Tech solution design, having spent most of his career as a telecom planning and optimization engineer, and later as an Ad Tech solutions specialist in mobile media. At Seventh Decimal, Lewaa leads the research and development of Streach, overlooking the technical roadmap of new metrics, functionalities, and research areas. Can you please confirm receipt and update the program accordingly?

JAMES HARRISON

COO, BackLite Media

James has over 20 years of media experience; having started his career in the UK, he now holds the position of Chief Operating Officer at BackLite Media in the UAE.

James has been responsible for launching key digital assets across the UAE, including The Triple Crown part of The Landmark Series. With a keen eye for data James has been central to the development of the data analytics platform BackLite Intelligence; this data is vital to ensure compatibility with programmatic trading strategies.

PHILIP MATTÀ

Group COO, W Ventures Holding (WGroup)

Philip accumulated more than 25 years of experience in advertising and OOH.

Philip was the first to launch advertising at the point of purchase over 19 years ago. Today, he continues to develop unique Digital OOH smart solutions and impact the industry in this digital age. He was also one of the pioneers in introducing the largest digital signage network across 36 key malls in the UAE, Dubai Metro stations and establishing its "network" power within the DOOH sector.

TAREK MEZHER

EMEA Account Executive, BroadSign

As an EMEA Account Executive at BroadSign, Tarek oversees the sales activities for Europe, the Middle East and Africa, and helps media owners efficiently manage and sell their digital and static out-of-home inventory. Having worked in OOH since 2016, Tarek has worked for some of the biggest names in the industry, including JCDecaux Spain as a Sales Executive for its Airport division, and Dentsu in the UK in various international media planning and investment roles. More recently, he was a Sales Manager for Atelier Athem, a French media owner that specializes in large format advertising banners.

SPEAKERS

BEN MILNE

Global Head of Out Of Home Media,
Dentsu International Markets

Ben is the Head of OOH for dentsu International. In this role Ben leads dentsu's OOH scaled service and capabilities across the globe. Ben has worked at dentsu for 23 years in various roles across planning, strategy, innovation and leadership across the UK, Russia, China, Japan, APAC and now leads dentsu's global OOH effort. Ben has spent half his career in the Asia Pacific region, most recently in Tokyo at dentsu Inc. where he spent five years helping to establish new OOH solutions such as Liveboard Inc., now Japan's leading OOH SSP. Ben was also responsible for platforms and partnerships in the Asia Pacific region at this time, accelerating dentsu's data & automation strategies. In his current role Ben is bringing together the communities of OOH specialists from within the dentsu network to focus on partnering with brands to build OOH product and services that deliver meaningful progress as a force for growth and good. Outside of work Ben spends most of his time bringing up his daughters, playing tennis, making music and continuing to study Japanese language.

MAUD MOAWAD

CEO and Co-Founder, Seventh Decimal

Maud Moawad is the CEO and Co-Founder of Seventh Decimal, a research tech company dedicated to the OOH industry. Based in the United Arab Emirates, and serving the GCC, Seventh Decimal introduced "Streach" in 2020 to provide a syndicated set of metrics for Out-of-Home measurement. Under Seventh Decimal, Maud today is championing a technical committee that includes leading stakeholders of the OOH industry from media owners and media agencies to launch the JIC for the OOH industry in the UAE. Maud is as well a seasoned telecom engineer and a serial entrepreneur in the mobile ad tech industry.

CHARLES PARRY-OKEDEN

Independent Chair, OMA

Charles Parry-Okeden has more than 30 years' experience in OOH media and current positions include: Independent Chair of the Outdoor Media Association of Australia (OMA) and MOVE, as well as, co-founder and Global CEO of Executive Channel Holdings Pty Ltd (ECN/ Media i/MI-3) with operations across Australia, Europe and the UK. Charles is a current board member of the World Out Of Home Organisation.

SOPHIE PEMBERTON

Group Chief Strategy Officer, Talon

After a number of years agency side, Sophie joined Talon in 2015, just as the outdoor industry was at a turning point of digital evolution. With her extensive experience in media planning and strategy, Sophie helped to establish and build the Product and Data team which is responsible for Talon's technology platforms and some of the smartest thinking in the industry. Sophie now leads this team across regions and has recently created and launched Talon's Global strategic framework which will help to navigate the business through Talon's next stage of growth and diversification.

SPEAKERS

FRANÇOIS-XAVIER PIERREL

Group Chief Data Officer, JCDecaux

François-Xavier Pierrel is the Group Chief Data Officer for JCDecaux. He is responsible for the JCDecaux global data strategy to accelerate the digital transformation of the Out-Of-Home media.

Prior to JCDecaux, he spent several years at Renault, Microsoft, and Facebook. François-Xavier demonstrates a strong data expertise to enable digital transformation

SRIKANTH RAMACHANDRAN

Founder & Group CEO, Moving Walls

Srikanth Ramachandran is the Founder and Group CEO of Moving Walls, a data and technology led media group that helps leading brands measure, reach, and influence consumers on the move. At Moving Walls, he has scooped a range of Malaysian, Regional and Global Awards including the Most Promising Entrepreneur Award at the 2015 Asia Pacific Entrepreneur Awards (APEA). He has also been featured on industry platforms such as Bloomberg TV, Business FM, and The Asian Business Leaders Conclave (ABLC).

Prior to this appointment, Srikanth established IBM Singapore's e-business team. As the Founder of Knowledge Dynamics, a Singapore-headquartered regional leader in the analytics space, Mr Ramachandran led the growth of the company for seven years, leading to a merger with an NYSE-listed company. Srikanth also has over two decades of experience in technology consulting and international sales and marketing, having lived in India, Oman, Singapore and Tokyo, and worked with global brands like IBM, Satyam, Ingres and Wipro. Mr Ramachandran has also served as Director on the board of Phimetrix, a global telecom audit firm since 2009, and in 2010 was appointed Advisor to Sriveda Emsys, an embedded software development company headquartered in India.

LÉNAÏC PINEAU

Chief Sustainability & Quality Officer, JcDecaux

Lénéaïc Pineau began her career in 2010 at Danone as Brand Manager where she was responsible for Les 2 vaches brand. In 2014, she joined Lindt as Senior International Brand Manager working with the Lindor brand. In 2015, she became Marketing Manager at Agrial (Loic Raisin, Ecusson, La Mordue, Kerisac, Bayeux brands). From 2018, Lénéaïc Pineau was Senior Sustainability Manager at EY. In this role, for the past year, she was in charge of the certification of JCDecaux's extra-financial performance statement. In 2021, she has joined JCDecaux as Chief Sustainability & Quality Officer. Together with the Executive Board members, she defines the company's new ESG roadmap by chairing the ESG Programs Committee. She is an active member of the Vigilance Committee and the Ethics Committee for OOH within JCDecaux. As a member of C3D and UPE, she participates in the transformation of the entire industry to integrate more responsible practices in terms of communication. JCDecaux, the number one outdoor advertising company worldwide, is present in more than 80 countries and 3,518 cities with over 10,000 inhabitants.

MARTIN SABBAGH

CEO Middle East & Africa, JCDecaux

Martin holds a Master of Corporate Finance and Finance Engineering degree from Paris Dauphine University. After graduating, Martin started his career as an investment banker with ING Barings. He then joined Ernst & Young as an auditor. After four years with EY, Martin joined JCDecaux, the leading outdoor advertising company in the world, as Merger & Acquisition analyst in Paris. Within his 14 years with JCDecaux, Martin has been promoted to various positions in the Paris headquarter from Director of Investor Relations to Director of Merger & Acquisitions and Business Development before being relocated to Dubai in January 2015 as the CEO for the Middle East. In January 2020, Martin has been promoted to the position of CEO for the Middle East and Africa and currently runs JCDecaux' operations in 25 countries from Dubai.

SPEAKERS

EAMON SALLAM

Co-founder & Chief Operating Officer, Elevision

As co-founder and Chief Operating Officer at Elevision, Eamon helped build and develop Elevision into the region's premier Digital-out-of-Home network. With background in finance and video production, he brings a variety of skills and alternative perspectives to his entrepreneurial ventures. Over the last 13 years Elevision has partnered with the region's most iconic developments - including Emaar, DIFC, JBR and Nakheel - to deliver a unique media experience to viewers and clients. Through rapid network expansion and a sophisticated content strategy, Elevision has positioned itself as the leader in the region's DooH media market. Having delivered the first programmatic DooH campaign in the MENA region, Eamon and his team continue to pioneer key elements of the workflow, concepts and strategies required to fully integrate DooH platforms with programmatic technologies and marketplaces.

FAWZI TUENI

COO of Arabian Outdoor, Choueiri Group

As Chief Operating Officer of Arabian Outdoor at Choueiri Group, Fawzi's career consolidates over 30 years of proven experience in the media and advertising industry. Focused on overseeing strategies aimed at commercial growth and expansion, the acquisition of media portfolios, the restructuring and development of teams, marketing and sales growth, along with the recruitment and training of staff, Fawzi heads-up multiple departments at Arabian Outdoor and drives insight, oversight and foresight aimed at advancing strategic business alliances, planning and network management, business and market development. He is also credited with infusing the innovation and expertise witnessed across the Gulf into the Egyptian market.

ADRIAN SKELTON

Managing Partner, Talon Outdoor

Adrian Skelton has over 25 years of OOH experience, joining Talon in its infancy in 2014 and quickly becoming managing partner.

A key part of Talon's senior management, he recently oversaw the initial US expansion, the launch of Talon's International offices in Germany, Dubai and Singapore and the development of the group's global OOH network.

Adrian previously spent over a decade at Kinetic where he set up and ran the direct appointment side of the business.

FRANK VALLENCA

VP of Sales (SaaS), Broadsign

Frank, a self-proclaimed (D)OOH enthusiast, has worked in the out of home industry for over 12 years. The last 8 years of those have been at Broadsign where he has been in various positions ranging from Director of Sales for the EMEA region to, more recently, being their Vice President of SaaS Sales. In this role he oversees all new business sales and growth initiatives for Broadsign's SaaS based offering.

Frank's deep knowledge and innate understanding of the OOH industry have made Frank a welcome guest to various industry events and a trusted partner to many out of home companies globally. Whether we are talking inventory management and optimization, campaign scheduling and distribution, programmatic digital out of home or anything else out of home related; you will find an engaged conversation partner in Frank.

SPEAKERS

ANTONIO VINCENTI

Founder & CEO, Pikasso

Antonio Vincenti, founder and CEO of Pikasso, a Beirut based leading Out-Of-Home Company operating in the Levant, North Africa, West Africa, the Caucasus and recently in Italy. As a passionate believer in the Out-Of-Home medium, Antonio has spent the last 37 years implementing international standards and best practices, promoting creativity, supporting noble causes on the billboards through the "Citizen Billposter" initiative, and has participated actively in the development of the Out-Of-Home advertising industry in the MENA region. He is involved in several business associations: Former President (2014-6/2016) of WOO (ex FEPE) & Vice President (2008-6/2022) - Founder and President of SOACL (Syndicate of Outdoor Advertising Companies in Lebanon) - Member of OAAA, IAA & CNCC (Italian National Council of Shopping Centers).

FRANCESCA VINCENTI

Head of Programmatic & Innovation, Pikasso

After graduating from Bocconi University with a Bachelor of Economics, Francesca joined the MENA Marketing department of Ferrero in Luxembourg for a period of 4 years. In September 2019, she joined Pikasso where she handles all the innovative projects and heads the Programmatic DOOH department that was established in 2020 at a Group level.

MATHIEU VERBRAKEN

Development Manager, Daktronics

Mathieu is Daktronics Development Manager for Middle East, Africa and Western Asia, and is located at the Daktronics Dubai Office. His responsibilities include direct sales to end users and identification of resellers and integrators in these regions. Before working in the Dubai office, Mathieu worked at Daktronics as a European Development Manager based out of Belgium. Mathieu has been involved in guiding OOH companies in their transition from static to digital and expanding the Narrow Pixel Pitch reseller network of Daktronics across his regions. Mathieu has attended Fepe / WOO conferences since 2009.

MANSOUR WEHBE

Client Director, Talon MENA

Mansour comes from a 15-year background of managing international clients' businesses at the agency side throughout the Middle East and worldwide. He is invested in understanding the industry's dynamics & challenges and is constantly looking for innovative solutions in today's digital world, and a firm believer that data and creativity come hand-in-hand. His in-depth understanding of the regional media landscape and data-driven consumer behavior have been paramount to his current role within the OOH business and the global expansion of Talon, with the launch of Talon's MENA office in Dubai.

Kinetic uses intelligence, technology and creativity to help brands communicate with valuable audiences on the move. As the world's largest planner and digital innovator in Out of Home advertising, we understand the customer's physical journey better than anyone. Through the application of dynamic data and tech, we turn that journey into an Active Journey, driving people to take action in context. Whether it's through mobile and social, location-based experiences or in-transit, we are committed to delivering new ways to make OOH interactive and amplifiable – driving efficiency and measurable transactions and bringing forward the future of OOH communications for brands.

Global Platinum Sponsor

Moving Walls is a media technology group with a presence in seven markets across four continents. The group operates a myriad of technology for both the demand and supply sides of Out-Of-Home (OOH). For planners and buyers, Moving Walls operates 'Moving Audiences', a patented multi-sensor approach to location-based media measurement like billboards, digital signage, and transit media. For asset owners, the group's supply-side subsidiary, Location Media Xchange (LMX) is a platform for marketers to profile locations based on the types of audiences around the site and activate mobile and physical place-based media like digital billboards to reach them during this offline journey.

Global Platinum Sponsor

Talon is the leading global independent Out of Home (OOH) media agency focused on delivering smarter, creative, data-driven integrated OOH communications. Combining independence with a collaborative approach, Talon promotes open and transparent working relationships between many of the world's leading agencies, clients, and media partners that ultimately deliver greater value whilst inspiring people and caring for our planet. Headquartered in London with additional offices in Dubai, Dublin, Frankfurt, Manchester, Nashville, New York and Singapore, Talon delivers expertise at the global, national, regional, and local levels. Additionally, the agency has built a global OOH planning and buying network covering 100 markets across the U.S., Europe, Asia, and Latin America. For more information, please visit www.talonooh.com and follow us on Twitter and LinkedIn.

Global Platinum Sponsor

VIOOH is a leading global Supply Side Platform connecting buyers and sellers in a premium marketplace, making OOH easily accessible. WOO Global Sponsors & Exhibitors

Global Gold Sponsor

Hivestack is the largest independent, global, full stack, marketing & ad tech company, powering the buy and sell side of programmatic digital out of home (DOOH) advertising.

On the buy side, marketers use Hivestack's Demand Side Platform (DSP) to create measurable campaigns that activate DOOH screens in real-time based on consumer behavior and audience movement patterns. On the sell side, DOOH media owners use Hivestack's Supply Side Platform (SSP) & Ad Exchange to attract programmatic revenue. DOOH media owners can also use Hivestack's Ad Server to power impression-based, directly sold campaigns.

Our suite of solutions allows advertisers to plan, activate and measure DOOH campaigns at scale.

VISTARMEDIA

Global Gold Sponsor

Vistar Media is the world's leading end-to-end programmatic ecosystem for digital out-of-home (DOOH). Vistar Media's demand-side platform (DSP) and supply-side platform (SSP) empower buyers and sellers to easily transact on DOOH inventory, while applying intelligent data insights that improve media performance. Vistar's SaaS solutions (unified ad server and Cortex for device and content management) deliver enterprise-grade solutions for monetizing and operating digital signage networks at any scale. Founded in 2012, Vistar Media is headquartered in New York City and has offices across the United States, Canada, EMEA and APAC. Through its global reach, direct platform integrations, data partnerships, and complete technology stack, Vistar Media continues to power innovation and growth across the digital out-of-home industry.

Media Partners

campaign Middle East

Campaign Middle East is the authority for the marketing and communications industry in the region. It provides essential and market-leading coverage of advertising, media, marketing, PR, events and experiential, digital, the wider creative industries and more.

Produced by leading Dubai publisher Motivate Media Group, Campaign Middle East builds on 50 years of brand legacy and expertise, while focusing on the MENA region. It celebrates all aspects of communications, putting the creative and commercial sides of the marketing communications industry into a wider business and social context.

WOO Executive Team

MARK FLYS

Chief Operating Officer

Over 35 years experience in Outdoor Advertising/Out of Home Media, including 10 years on the buying side and 14 years self employed as an OOH media owner. Chief Operating Officer for the World Out of Home Organization, Mark takes care of business on a daily basis on behalf of the WOO Board of Directors. Married with 2 children, he also plays lead guitarist with London based media band, "The Breaks"

RICHARD SATURLEY

Chief Marketing Officer

A marketing professional with experience across varied consumer, service and hospitality and now Media Industries. Experience in permanent roles with International companies such as Compass and Whitbread as well as British Rail has been enhanced by interim/consultancy work with specific focus on strategic, brand and account development, performance and profit improvement.

Richard joined WOO in 2014 to project manage the 'Always On' Research commissioned by the Organisation. Since then, he has developed the role taking on responsibility for all aspects of Marketing and Communication including the Re-branding to the World Out of Home Organization in 2019, then taking on the role CMO in 2020.

ANNA PISANO

Events Director, World Out Of Home Organization

Anna Maria looks after all Congress planning and logistics on behalf of the WOO team through her independent company Global Studio, based in Milan, of which she's CEO & Executive Director. Anna has a longstanding experience in the world of tourism and in the organisation of congresses, conferences, conventions and events.

Anna has been an integral part of the WOO executive since the Milan Congress in 2012 and assists with many other WOO functions around the congress planning, including the exhibition and sponsorship details.

GIANGI RIOLFATTI

Events Manager

Giangi joined Global Studio in 2017 as Project Manager.

He is part of Global Studio's Management Team and is responsible for the organisation of major events, conferences and incentives.
